KEY RESPONSIBILITIES

We Grow Artists!

Art & Nature Educators at the Leighton Art Centre are responsible for introducing young artists to a day of artistic discovery. Each work day, Educators will set up their historic art studio for the medium of the day, greet students, and immediately engage them in a sketching warm-up. Students will then follow the Art & Nature Educator on a nature walk to discover the natural landscape surrounding them. The Educator will also act as a tour guide in the historic Leighton Home, Gallery, and Museum. The Educator will guide students through art appreciation activities using both the permanent collection and changing exhibitions. The Educators will also teach a variety of media to classes as chosen by the visiting school groups.

Educators also participate in the Art To Go! Program, presenting in-school classes in and around the Calgary and Foothills areas, and may also lead Birthday Parties on weekends.

Our school programs run in accordance to the different Boards of Education calendars in the area, from September to June.
