## We Grow Artists!

The Leighton Art Centre was the home of A.C. and Barbara Leighton, two of Alberta's most important artists. Today, the Leighton Art Centre is a not-for-profit Art Gallery, Museum and Arts Education Center. We offer two unique school programs appropriate for all ages of students.

### Art and Nature

Come to us and enjoy the incredible landscape, as well as a tour of our Gallery and Museum. Experience an art class taught in one of our historic classrooms. This is a 4 hour program.

### Art 2 Go

One of our talented instructors will come to your classroom to teach an art project of your choosing. This is a 3 hour program.

Our teachers are accomplished artists and educators prepared to engage students at every skill level. We offer a variety of art projects that will have your students exploring new mediums, learning new skills, and boosting their creative confidence. We promote visual literacy, thoughtful observation, and critical thinking.

Visit our website for more information on the programs we offer as well as our wide variety of art lesson topics! [www.leightoncentre.org](http://www.leightoncentre.org)

### Financial Assistance

Thanks to our supporters and donors this year, the Leighton Art Centre is able to offer financial assistance to schools to participate in either our Art & Nature or Art 2 Go programs for a reduced price. Teachers and administrators may apply for a specific amount of funding to help make our school programs accessible. The Leighton Art Centre asks that in return, classes create a thank you card or project to the donor providing your group's funding. The Leighton Art Centre will provide you with this information and forward thank you's to the foundations on your behalf.

## Application and Evaluation Process

While funding is not offered on a first-come first-serve basis, we suggest getting your request in early as we evaluate each case as we receive it. Please review our selection process and evaluation criteria:

- Make sure your application is **fully completed**. Selections are heavily based on written explanations.
- Program dates available: **January 9, 2018 to March 29, 2019**. Please be advised that your preferred dates may not be available and we will work with you to find a suitable date.
- You may apply for an **Art & Nature** or **Art 2 Go** program.
- In order to offer financial aid to as many classes as possible, special consideration is given to schools who can partially fund their trip. The amount per student stated by you on the completed application will be considered final and agreed upon. The base program costs (not subsidized) are: Art & Nature, \$16 per student, Art 2 Go \$13 per student. We do not charge GST.
- Bus costs to and from the Leighton Art Centre are not covered.
- Minimum of 20 students per day. We can host a maximum of 86 students/day at the Leighton Art Centre.
- If your school is applying for more than one class, please complete a separate application for each grade level.
- Photos and video may be taken during your field trip. Please fill out the attached Media Consent Form for each child and bring with you on the day of your visit.
- Unless previous arrangements have been made, funding may be revoked and the school will be invoiced for total amount if "thank you" notes and/or payment is not received by the end of the 2018 - 2019 school year.
